PLUS ... BONUS ONE-ON-ONE COACHING TO JUMP START YOUR BUSINESS

SCI's **iCoach To Success** Professional Coaching System® integrates a variety of methods and exercises in a simplistic process to offer a solid foundation and tools that insure our students can learn the material quickly and easily, grow personally and professionally, and graduate as a Certified Professional Success Coach.

The process is an eclectic, collaborative approach to coaching; a collage of the most excellent industry research and practicum combined with original concepts. It is presented as a guideline to assist the coach and insure both coach and client are successful. As a Success Coach we must remember it is not about us, it is about the client and the skills you will acquire only assist in this process. This is just the beginning. We trust you will continue your pursuit of excellence in success coaching, seek mastery and make stellar contributions to this remarkable industry.

Let's be inspired together and go on to inspire others so they can realize ultimate long-term success.

***“Coaching is partnering with clients
in a thought-provoking and creative process
that inspires them to maximize
their personal and professional potential.”***

- ICF - International Coach Federation -
